## LAVISH 108 LEONARD LAUNCHES IN TRIBECA

**M**ore than 220 guests packed the elegant sales gallery at 108 Leonard to celebrate the McGin, Mead & White landmark restoration that will now offer more than 150 condominium homes masterfully designed by hospitality visionary Jeffrey Beers.

Event attendees enjoyed hors d'oeuvres, including yellowtail scallion rolls and signature "Shiro 66" cocktails by Nobu, as they toured the never-before-seen sales gallery that reflects the building's dramatic details of scale, pro-

portion, and volume paired with contemporary design. The event highlighted New York roots with a Tribeca and New York-centric playlist that was specially curated by The ARChive of Contemporary Music, a non-profit archive, music library, and research center located in Tribeca.

Eisd Group, one of the nation's leading real estate companies, is managing the thoughtful residential transformation of the property, while Douglas Elliman Development Marketing is exclusively leading sales and marketing.
